

# HOPE GALA 2020

SATURDAY, OCTOBER 17 CANCER DOESN'T STOP. SO NEITHER WILL WE.

In the face of COVID-19, the American Cancer Society is continuing our lifesaving mission throughout the nation. As the virus spreads without discrimination across the country, cancer patients are placed in the eye of the storm with unique clinical, social, and financial disadvantages. In all communities, cancer patients and their caregivers need us to forge ahead with our work - including research, patient services, information and resource sharing, education, and advocacy.

This year we are combining our Seattle, Everett and Spokane Gala events to give our guests a one of a kind digital experience. Although our events may look different this year, we know that cancer doesn't stop, so neither will we.

## **AUCTION DONATION OPPORTUNITIES**

Help finish the fight against cancer by donating an item to the American Cancer Society Hope Gala silent or live auction. Contributing an auction item is a unique opportunity for you to showcase or introduce your products and/or services to community leaders, and through your support you will be seen as a leader in the fight against cancer.

### **Recognition Benefits:**

- Silent auction donors will be recognized in the mobile bidding program.
- Live auction donors will be recognized in the event program and on screen during our digital live auction program.

### **Additional Information:**

- Final designation and placement into auction categories and packages will be determined by the Hope Gala committee.
